Dear Mr. Johnson:

La Jolla Energy Development, Inc. is pleased to submit this application for a license to construct the Baldwin Energy Facility No. 1, a natural gas-fired simple cycle power plant located within Stocker Resources, Inc.'s Inglewood Oil Field in Los Angeles County, California. This application has been prepared in accordance with the CEC's 21-Day Emergency Power Plant Permitting Process in order to bring additional power online before September 30, 2001 to meet California's emergency power shortage.

As President of La Jolla Energy Development, Inc., I hereby attest under penalty of perjury that the contents of this application are true and correct to the best of my knowledge.

Dated this 14th day of May, 2001

For

Steve Wilburn  
President
